from 10th St

FINISH

Along Hadley Ave

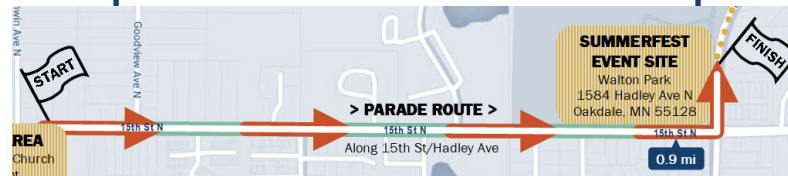

STAGING ROUTE

- Use the staging route to access the staging area.
- Only parade vehicles displaying their vehicle permit will enter the staging area.
- Non-parade vehicles dropping off participants may pull into a parking lot along the staging route to safely unload.
- Non-parade vehicles may find street parking along neighborhood streets or at the Summerfest Event Site, Walton Park, at the parade's end.

PARADE ROUTE

- Be prepared to begin the parade route at the 6 PM start time.
- When traveling the parade route, please leave one vehicle length between your parade unit and the unit in front of you.

- Keep moving! The road closure has a limited timeframe.
- Please hand out candy/items to paradegoers. DO NOT THROW. This draws children into parade traffic.
- Have fun kicking off the Summerfest celebration in Oakdale!

EXIT ROUTE

- Upon reaching the Summerfest Event Site at the end of the parade route, the crowd becomes larger.
- Resist the temptation to disembark early. The parade route does not end until after turning north on Hadley Avenue and reaching the Adult Softball Complex.
- The end of the parade will be marked by a checkered "FINISH" flag sign.
- Thank you for participating in the Summerfest Parade! Hope to see you again next year!
